about College:

College was established in 1994 at Deogoon (R) which is 35 km from Aurangabad, on Aurangabad - Nasik Highway in the state of Maharashtra, India. The mission of the college is to harmonize the needs of the rural students, by sharing best and global resources, so as to make globally competent rural youth for the benefit of the society. The founder member of Shri Ganesh Shikshan Sanstha, late Shri Asaramji Bhandwadar established the college for the upliftment of economically backward farmer's sons/daughters by imparting quality education. In tune with our mission and aims of our founder, college is offering various add on career oriented courses along with academic courses. Along with best infrastructure & academic activities college inculcates holistic spiritual values in our students by way of different community services.

about Conference:

We are facing a global health crises due to Covid-19 which has been killing people, spreading human suffering and upending people's lives. But much more than health crisis it is a human, economic and social crisis. The vast impact of Covid-19 is going on youth employment and those who are working in informal sector. World trade organization stated that the world merchandise trade had declined between 13 to 30 percent 2020 due to Covid-19. It is expected that during 2021 the international trade would recover but it is depend on the duration of the outbreak of Covid-19 and effectiveness of policy responses. In 2020 the international trade volume will declines by double digit. The services trade has been directly affecting by the Covid-19 due to restrictions of transport and travel. The impact of Covid-19 may be long-time and due to this the direction and structure of international trade will be changed. So it is necessary to find out what are the changes may be coming in international trade in future.

Outcomes of the Conference:

- o This online conference will help participant to understand impact of Covid-19 on overall economy.
- o Overall awareness about Covid-19 and its impact on international trade, E-commerce and employment.
- o Better awareness about exact role of international trade and E-commerce in economic growth and employment generation.
- o Awareness about international trade, E-commerce and Employment as an engine of economic growth.
- o Awareness about opportunities for India in international trade and E-commerce after Covid-19.

25 प्रतिशत पाठ्यक्रम ई-लर्निंग पद्धति का हो : डॉ. येवले

■ देवगांव रंगारी के श्री आसारामजी भांडवलदार कॉलेज में आयोजित ई-परिषद में विभिन्न राज्यों के 556 प्राध्यापक और शोध छात्र हुए शामिल

निम्न प्रतिनिधि | औरंगाबाद

कुलपति डॉ प्रमोद येवले ने कहा कि कोरोना वायरस के कारण आर्थिक क्षेत्र समेत मानवी और सामाजिक जीवन पर भी व्यापक असर हुआ है। इससे उच्च शिक्षा क्षेत्र में आमूलचूल बदलाव होने वाले हैं। इसे देखते हुए 25 प्रतिशत पाठ्यक्रम अब ई-लर्निंग पद्धति का होना चाहिए। निरंतर मूल्यांकन पद्धति पर अमल कर पारंपरिक परीक्षा पद्धति में भी बदलाव अपेक्षित है।

देवगांव रंगारी स्थित श्री आसारामजी भांडवलदार कला वाणिज्य एवं विज्ञान महाविद्यालय में शुक्रवार को अंतरराष्ट्रीय ई-परिषद का नियोजन अर्थशास्त्र और वाणिज्य विभाग ने किया। इस दौरान 'कोविड-19 महामारी : अंतरराष्ट्रीय व्यापार, ई-कॉमर्स और रोजगार में समस्या, चुनौतियां और अवसर' विषय पर गंभीरता से चर्चा हुई। अंतरराष्ट्रीय व्यापार और रोजगार के बारे में 18 विषयों पर परिषद में चर्चा हुई जिसमें नेपाल, थाइलैंड, येमन, बेल्जियम समेत भारत

के विविध राज्यों से 556 प्राध्यापक और शोध छात्र शामिल हुए। 87 शोध छात्रों ने शोधनिबंध पेश किया। कार्यक्रम का उद्घाटन डॉ. बाबासाहेब आंबेडकर मराठवाडा विश्वविद्यालय के कुलपति डॉ. प्रमोद येवले ने किया। बीजभाषण में प्रा. राम प्रसाद ग्यानवाल ने कहा कि कोविड-19 में अवसर कम और समस्या और चुनौतियां बड़े पैमाने में हैं। कुछ प्रमाण में ई-लर्निंग, ई-कॉमर्स और इलेक्ट्रिकल व्यापार में नौकरी के

अवसर निर्माण होने की संभावना है। कार्यक्रम की अध्यक्षता प्रकाश भांडवलदार ने की। प्रा. सुधाकर रेड्डी, प्रा. रमेश चंद्र दास, डॉ. सुभाष चन्हाण, प्रा. सुनील नरवडे, डॉ. सैयद अजहरोद्दीन, प्राचार्य सुभाष टकले ने मार्गदर्शन किया। परिषद का समापन विश्वविद्यालय के अधिष्ठाता प्रा. प्रशांत अमृतकर, डॉ. सुधाकर रेड्डी, प्राचार्य उत्तमराव पाथरे की मौजूदगी में संपन्न हुआ। कार्यक्रम सफल बनाने डॉ. विलास खंदारे, डॉ. गणेश काथार, डॉ. जयश्री भांडवलदार, डॉ. अर्जुन उबाले ने परिश्रम किया।

Subject: Gratitude for accepting our invitation to guide our students about the "Digitalization and cashless transaction, Internet Banking" in a seminar organized by the institute

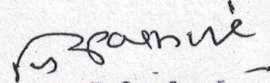

Dear sir,

I express appreciation for sparing your valuable time and knowledge with our students at institute.

Your sessions on "Digitalization and cashless transaction, Internet Banking" in a seminar organized by the institute on 2nd Feb 2018 has been appreciated by one and all.

It has been a privilege to hear you and have deeper understanding of the topic. I am glad that you have accepted our invitation to deliver the lecture and honored us all. Your insights into the subject are highly valued; that ultimately contributes to overall good feedback of the guidance lecture organized by the institute.

Thank you for sparing your valuable time.

ROUND TABLE STATE SYMPOSIUM ON ISSUES AND CHALLENGES IN FRONT OF HIGHER EDUCATION

Department of Public Administration

Internal Quality Assurance Cell

Round Table State Level Symposium was organized on 24th Jan 2019.

Objective:

The main objective of the symposium is to bring together different academic experts, researchers, administrative officers and stakeholders to discuss various issues and challenges in front of higher education.

The following Resource Persons were invited for the discussion and they discussed on various issues

Dr Prakash Bhandwajdar, President, Shri Ganesh Shkishan Sanstha

He is working at management level. He discussed on issues such as raising the funds, problems of infrastructure management, shortages of funds, non cooperation of government officials, corruption etc.

Dr R.T Deshmukh, Ret. Principal Deogiri College

Dr Deshmukh guided on different issues related to higher education such as access, equity, quality faculty, inequality in GRE in urban and rural areas, problems due to changing policies etc.

Mr Sahrad Bhingare, Accounts Officer Joint Director of Technical & Higher Education

He discussed on changing government resolution from time to time and problems faced during its implementation.

Shri Satish Tambat

Principal and Chief Mentor, Gurukul Olympiad School Aurangabad

According to Mr Tambat there is no problem of unemployment but there is problem of skill required for employment hence there is issue of employment. The education should be need based. It should provide skill required for the employment and self employment.

Principal
Shri Asaramji Bhandwajdar Arts
& Science College

Dr Uttam Kalwane, Professor, Marathawada Institute of Technology, Aurangabad

He raised the concern about the deteriorating quality of technical education, curriculum not relevant to today's scenario.

Dr Santosh Thorath, Office Superintend, Shri A. B. College, Deogaoan

According to Dr Thorat Govt. has given some ceilings on expenses, it should be revised as per the rising rates for example the ceiling for electricity bill is given 20 years back at that time the rate was different and now rate is different now it has been increased 5 time. This leads to objection at the time of audit.

For the discussion some subject experts were invited

About the symposium

According to Swami Vivekananda, a nation is advanced in proportion as education and intelligence spread among the masses. Through education comes faith in one's own self. The education which does not help the common mass of people to equip themselves for the struggle of life, which does not bring out strength of character, a spirit of philanthropy, and the courage of a lion—is not worth its name! Real education is that which enables one to become self-reliant.

In India there are tremendous changes in higher education since independence. The number of higher education institutions and universities has been increased quantitatively but there is lack of quality. It has been observed that our education system has many issues of concern at present. These issues includes inadequate finance, quality staff, access to quality education, reorientation of program large vacancies in faculty positions, low student enrolment rate, outmoded teaching methods, declining research standards, unmotivated students, etc. The Universities and higher education institutions have to perform multiple roles, like creating new knowledge, acquiring new capabilities and producing an intelligent human resource pool, through challenging teaching, research and extension activities.

With these increasing challenges government is also trying to face these challenges by formulating new policies in higher education. But still our higher education is not able to withstand in world ranking.

The main objective of the symposium is to bring together different academic experts, researchers, administrative officers and stakeholders to discuss various issues and challenges in front of higher education.

About College:

College was established in 1994 at Deogaon (R) which is 35 km from Aurangabad, on Aurangabad - Nashik Highway in the state of Maharashtra. The mission of the college is to harmonize the needs of the rural students, by sharing best and global resources, so as to make globally competent rural youth for the benefit of the society. The founder member of Shri Ganesh Shikshan Sanstha, late Shri Asaramji Bhandwadar established the college for the fulfillment of academically backward farmer's sons/ daughters by imparting quality education. In tune with our mission and aims of our founder, college is offering various add on career oriented courses along with academic course. Along with best infrastructure & academic activities college incubates holistic spiritual values in our students by way of different community services.

About Conference:

We are facing a global health crisis due to Covid-19 which has been killing people, spreading human suffering and upending people's lives. But such more than health crisis it is a human, economic and social crisis. The vast impact of Covid-19 is going on youth employment and those who are working in informal sector. World trade organizations stated that the world merchandise trade had declined between 13 to 30 percent in 2020 due to Covid-19. It is expected that during 2021 the international trade would recover but it is depend on the duration of the outbreak of Covid-19 and effectiveness of policy responses. In 2020 the international trade volume will decline by double digit. The services trade has been directly affected by the Covid-19 due to restrictions of transport and travel. The impact of Covid-19 may be long-time and the nature that the direction and structure of international trade will be changed. So it is necessary to find out what are the changes may be coming in international trade in future.

Outcomes of the Conference:

25 प्रतिशत पाठ्यक्रम ई-लर्निंग पद्धति का हो : डॉ. येवले

■ देवगांव रंगारी के श्री आसारामजी भांडवलदार कॉलेज में आयोजित ई-परिषद में विभिन्न राज्यों के 556 प्राध्यापक और शोध छात्र हुए शामिल

निज प्रतिनिधि | औरंगाबाद

कुलपति डॉ प्रमोद येवले ने कहा कि कोरोना वायरस के कारण आर्थिक क्षेत्र समेत मानवी और सामाजिक जीवन पर भी व्यापक असर हुआ है। इससे उच्च शिक्षा क्षेत्र में आमूलचूल बदलाव होने वाले हैं। इसे देखते हुए 25 प्रतिशत पाठ्यक्रम अब ई-लर्निंग पद्धति का होना चाहिए। निरंतर मूल्यांकन पद्धति पर अमल कर पारंपरिक परीक्षा पद्धति में भी बदलाव अपेक्षित है।

देवगांव रंगारी स्थित श्री आसारामजी भांडवलदार कला वाणिज्य एवं विज्ञान महाविद्यालय में शुक्रवार को अंतरराष्ट्रीय ई-परिषद का आयोजन अर्थशास्त्र और वाणिज्य विभाग ने किया। इस दौरान 'कोविड-19 महामारी : अंतरराष्ट्रीय व्यापार, ई-वॉमर्स और रोजगार में समस्या, चुनौतियां और अवसर' विषय पर गंभीरता से चर्चा हुई। अंतरराष्ट्रीय व्यापार और रोजगार के बारे में 18 विषयों पर परिषद में चर्चा हुई जिसमें नेपाल, थाईलैंड, यमन, बेल्जियम समेत भारत

के विविध राज्यों से 556 प्राध्यापक और शोध छात्र शामिल हुए। 87 शोध छात्रों ने शोधनिबंध पेश किया। कार्यक्रम का उद्घाटन डॉ. बाबासाहेब

अंबेडकर मराठवाड़ा विश्वविद्यालय के कुलपति डॉ. प्रमोद येवले ने किया। बीजभाषण में प्रा. राम प्रसाद म्हात्रवाल ने कहा कि कोविड-19 में अक्सर कम और समस्या और चुनौतियां बढ़े पैमाने में हैं। कुछ प्रमाण में ई-लर्निंग, ई-कॉमर्स और इलेक्ट्रिकल व्यापार में नौकरी के अवसर निर्माण होने की संभावना है। कार्यक्रम की अध्यक्षता प्रकाश भांडवलदार ने की। प्रा. सुधाकर रेड्डी, प्रा. रमेश चंद्र दास, डॉ. सुभाष चव्हाण, प्रा. सुनील नरवडे, डॉ. सैयद अजहरोद्दीन, प्राचार्य सुभाष टकले ने मार्गदर्शन किया। परिषद का समापन विश्वविद्यालय के अधिष्ठाता प्रा. प्रशांत अमृतकर, डॉ. सुधाकर रेड्डी, प्राचार्य उत्तमराव पाथरे की मोजूदगी में संपन्न हुआ। कार्यक्रम सफल बनाने डॉ. विलास खंडारे, डॉ. गणेश काथार, डॉ. जयश्री भांडवलदार, डॉ. अर्जुन उबाले ने परिश्रम किया।

Major changes likely in HE due to COVID: VC Dr Yeole

LOKMAT NEWS NETWORK
AURANGABAD JUNE 2

The vice-chancellor of Dr Babasaheb Ambedkar Marathwada University (Bamu), Dr Pramod Yeole said, "Major changes will take place in Higher Education due to the Novel coronavirus19 situation. Nearly 25 percent syllabus should be of e-learning, without which, you can't move ahead".

He was speaking at the inaugural ceremony of an international webinar organized by Deogaon Rangari based Asaramji Bhandwadar College on

Saturday.

Topic of the conference was 'Covid 19: International Trade, E-commerce and problems, challenges and opportunities in the Employment Sector'.

Over 550 participants from Nepal, Thailand, Yemen, Belgium along with 26 States of India participated in it. Ramprasad Gyanwal from Nepal delivered a keynote address.

Ramprasad Gyanwal said that there will be fewer opportunities and more challenges due to prevalent Covid-19 situation.

Prakash Bhandwadar delivered presidential speech. A total of 87 research papers were presented in the webinar: Dr Sudhakar Reddy, Dr Ramesh Das, Dr Subhash Chavan Dr Sunil Narwade, Dr Syed Azharuddin guided the participants.

Dean Dr Prashant Amrutkar and Principal Uttamrao Pathre were the chief guests. Earlier, Dr Vilas Khandare delivered the introductory speech. Dr Ganesh Kathar, Dr Jaishree Bhandwadar and Dr Arjun Ubale worked for the success of the event.

ROUND TABLE STATE SYMPOSIUM ON ISSUES AND CHALLENGES IN FRONT OF HIGHER EDUCATION

Department of Public Administration

Internal Quality Assurance Cell

Round Table State Level Symposium was organized on 24th Jan 2019.

Objective:

The main objective of the symposium is to bring together different academic experts, researchers, administrative officers and stakeholders to discuss various issues and challenges in front of higher education.

The following Resource Persons were invited for the discussion and they discussed on various issues

Dr Prakash Bhandwajdar, President, Shri Ganesh Shkishan Sanstha

He is working at management level. He discussed on issues such as raising the funds, problems of infrastructure management, shortages of funds, non cooperation of government officials, corruption etc.

Dr R.T Deshmukh, Ret. Principal Deogiri College

Dr Deshmukh guided on different issues related to higher education such as access, equity, quality faculty, inequality in GRE in urban and rural areas, problems due to changing policies etc.

Mr Sahrad Bhingare, Accounts Officer Joint Director of Technical & Higher Education

He discussed on changing government resolution from time to time and problems faced during its implementation.

Shri Satish Tambat

Principal and Chief Mentor, Gurukul Olympiad School Aurangabad

According to Mr Tambat there is no problem of unemployment but there is problem of skill required for employment hence there is issue of employment. The education should be need based. It should provide skill required for the employment and self employment.

Principal
Shri Asaramji Bhandwajdar Arts
& Science College

Dr Uttam Kalwane, Professor, Marathawada Institute of Technology, Aurangabad

He raised the concern about the deteriorating quality of technical education, curriculum not relevant to today's scenario.

Dr Santosh Thorath, Office Superintend, Shri A. B. College, Deogaoan

According to Dr Thorat Govt. has given some ceilings on expenses, it should be revised as per the rising rates for example the ceiling for electricity bill is given 20 years back at that time the rate was different and now rate is different now it has been increased 5 time. This leads to objection at the time of audit.

For the discussion some subject experts were invited

Dr Santosh Kakade

Dept. Of Public Administration
Lokseva Education Society's Arts
And Science College, Aurangabad

Dr Yogesh Bhade

Dept. Of Public Administration
Vivekanad Arts, Sardar Dalipsingh
And Science College, Aurangabad

Dr Kalidas Phad

About the symposium

According to Swami Vivekananda, a nation is advanced in proportion as education and intelligence spread among the masses. Through education comes faith in one's own self. The education which does not help the common mass of people to equip themselves for the struggle of life, which does not bring out strength of character, a spirit of philanthropy, and the courage of a lion—is not worth its name! Real education is that which enables one to become self-reliant.

In India there are tremendous changes in higher education since independence. The number of higher education institutions and universities has been increased quantitatively but there is lack of quality. It has been observed that our education system has many issues of concern at present. These issues includes inadequate finance, quality staff, access to quality education, reorientation of program large vacancies in faculty positions, low student enrolment rate, outmoded teaching methods, declining research standards, unmotivated students, etc. The Universities and higher education institutions have to perform multiple roles, like creating new knowledge, acquiring new capabilities and producing an intelligent human resource pool, through challenging teaching, research and extension activities.

With these increasing challenges government is also trying to face these challenges by formulating new policies in higher education. But still our higher education is not able to withstand in world ranking.

The main objective of the symposium is to bring together different academic experts, researchers, administrative officers and stakeholders to discuss various issues and challenges in front of higher education.

Subject: Gratitude for accepting our invitation to guide our students about the "Digitalization and cashless transaction, Internet Banking" in a seminar organized by the institute

Dear sir,

I express appreciation for sparing your valuable time and knowledge with our students at institute.

Your sessions on "Digitalization and cashless transaction, Internet Banking" in a seminar organized by the institute on 2nd Feb 2018 has been appreciated by one and all.

It has been a privilege to hear you and have deeper understanding of the topic. I am glad that you have accepted our invitation to deliver the lecture and honored us all. Your insights into the subject are highly valued; that ultimately contributes to overall good feedback of the guidance lecture organized by the institute.

Thank you for sparing your valuable time.
