

Shri Ganesh Shikshan Sanstha's
Shri Asaramji Bhandwadar Arts, Commerce and Science College
Deogaon Rangari

7.3.1 – Details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Vision of the institute is

To fulfil the dream of Late Shri Asaramji Bhandwadar, founder of Shri Ganesh Shikshan Sanstha, as he believed **नही ज्ञानेन सदृशं पवित्रम इह विद्यते, या विद्यां या विमुक्तये** to avail quality education for the rural youths to nurture human values, equality, peace and harmony among the

MISSION

To create an excellent academic, healthy and well equipped environment to make rural boys and girls full of confident and skilful for the better India.

With this vision and mission the institute is imparting education in arts, commerce and science disciplines to the rural girls and boys. The students from around 12 to 15 villages are studying in the college.

Objectives

- To avail higher education for the educationally and socially backward society by providing standard facilities for holistic learning.
- To impart value based skillful, professional education so as to make them employable
- To imbibe human values among the rural students through various academic activities and to bring social transformation by sensitizing them on social issues
- To motivate girl students for the higher education
- To make students self radiant, confident and globally competent.

As per the objectives of the institute both girls and boys are taking coeducation in the college. College have well equipped laboratories, computer labs. The library have number of reverence books and text books. We also have taken the subscription of online resources such as N-list, inflibnet having 5000+ online journals and books. Each student and faculty is given userid and password to access these resources.

The institute also has developed language lab to improve the English communication.

To impart skill oriented education college started community college course-Accounting and Taxation (UGC approved), also started Tally ERP, departments also started various certificate courses.

The placement cell also organises Employability Enhancement training sessions so as to improve their employability skill. Campus interviews are also organised. The students are given career guidance and competitive examination guidance. The result of this is many students are recruited in police department, army. Some students are placed in private sectors also. By organising awareness programs on social issues like gender sensitisation, health awareness, AIDS awareness, etc. students are sensitised for the social issues.

The institute have 7 acre campus with Kho-Kho, Volleyball ground, cricket ground. The students participate in various sports activities and won awards in various district, state level competitions.
